## 2024 Bible Reading Plan

God's vision for our church is to be: **Rooted in Christ. Growing in Faith and Friendship.** In order to help us become deeply rooted disciples, we know that we must be people that are in the Word. It is essential for all believers to spend time reading and understanding the Bible if we want to grow closer to Jesus and each other.

One of the ways we hope to grow together is reading the whole Bible in the next two years as a church. We strongly encourage all of our church to follow this plan so that we are all not only studying God's Word, but also studying the same passages in God's Word. We pray this sparks conversation and discussion in the lives of our congregation.

This Bible Reading Plan is designed to take us through the entire Old Testament once, and the New Testament twice, by having us all read about two chapters a day for two years. The reading itself should take about 10 minutes and can be done in the morning, at night, or really whenever your heart is ready to hear God speak to you each day.

In order to get the most out of your time with the Lord, we recommend the following method for Bible study, adapted from the Swedish Bible Study Method:

- Begin in prayer by asking God to speak to you through His Word.
- Read the assigned chapters for the day and write down the following:
  - A Lightbulb – something that shines through the text and sticks out to you or encourages you.
  - A Question Mark – something that you're curious about and would like to ask your pastor, a friend, or God.
  - An Arrow – something that you can directly apply to your life.
- When finished reading and writing, meditate on the text and spend some time in prayer talking to God about those three things. Or, alternatively, use the "ACTS" acronym as you pray, spending some time:
  - A – Adoring and praising God
  - C – Confessing your sins to God
  - T – Thanking God for all that He has done for you
  - S – Supplication (Asking God to supply your needs and the needs of others)
